## WEEKLY MAGAZINE

February 03 - February 09, 2024

**Visionary:**

**Brahmasri Vanchinatha Dikshithar**

(Father of Shri V.K. Sundaram, Founder Chairman, SET)

## Message from the Management

Dear Friends,

We extend a warm welcome to each of you. A good education plays a major role in shaping each human's success and we believe that with each student, we are not shaping just one individual but raising a society and world with new ideals and progressive thought.

We pride ourselves on being an institution of distinction and provide students with the Best possible enabling-environment to help them achieve their individual goals.

Offering students a wide range of academic courses we provide them a solid academic foundation, guidance and support helping them realize their dreams.

The thrust on academics is strong, yet we also believe in developing the complete human potential through arts, sports and extra-curricular activities. Personality development programmes are also conducted on a regular basis to help students face interviews and project themselves confidently.

We believe that every student who steps out will be an achiever.

**Shri. V. K. Sundaram**  
Founder Chairman

**Shri. K. Vijay Kumar**  
Chairman

**Shri. K. Ajay Kumar**  
Secretary

## Principal's Message

Dear Friends,

Being an educationist is an enriching experience and it is wonderful to watch students you have nurtured blossom before your eyes. SEC lays the foundation for every student's entire career and the right mentoring and guidance are required at this vulnerable stage of life. We offer a supportive environment with individual attention and a nurturing attitude.

Engineering education at SEC is the perfect integration of knowledge, skills, understanding and experience which will stand every student in good stead. We offer modern and sophisticated technical infrastructure and good facilities. It's up to students to make the best of these. We endeavour to provide an inspiring environment and a campus experience that will encourage innovation and push the frontiers of research. We have built constructive and collaborative relationships with the industry and this gives students the right kind of industry exposure.

Every student at SEC is a winner and will step out a full-fledged professional with a bright future.

Dr. K. Srinivasan  
Principal

## Dr. R. Pradeep Kumar's Message

Dr. R. Pradeep Kumar,  
CEO, Amphiventures

### Power up Your Campus with Auto-Evaluation

For the last two decades, E-Box has been at the forefront of auto-evaluation and learning automation. Initially, the company viewed engineering education as the study of designing and analyzing systems, whether it be computer, machinery, electrical/electronic, or biological systems. It is vital in engineering education to verify if a student's system design meets the given requirements and to assess their comprehension of the concept.

Moreover, evaluating the student's ability to apply the acquired knowledge in creating novel systems, machines, and constructions is also necessary. However, every course includes specific exercises to be practiced by the students to gain the required knowledge and skills. Sadly, regulatory bodies such as AICTE/UGC or Universities/Colleges in India have not conducted extensive research on the science of learning engineering. They have merely worked on abstract curriculum or syllabus levels without delving into the delivery, transmission, or assimilation of each concept or course. They have focused on the term OBE, and NAAC/NBA have insisted on defining objectives for courses, assuming that such definitions or a few regulations over the blooms taxonomy model could accomplish it. Nonetheless, this approach has failed, and it's time for everyone to focus on the science of higher education.

In contrast, E-Box has been researching the science of higher education, tech-skilling, and engineering applications to build a comprehensive framework for intricate auto-evaluations. The intricate auto-evaluation enables continuous monitoring of students/trainees and provides personalized attention to every concept and topic they are learning. Human teachers cannot achieve this on a large scale. Even for a class of 60 students, it is impossible for human teachers to drive a practice-oriented approach, wherein students solve hundreds of engineering and technology problems, and subsequently evaluate them manually. But practice-oriented approach is essential for students to learn and develop the required skills. Only platforms with intricate auto-evaluations can provide this. E-Box provides intricate auto-evaluation and learning automation that can power up your campus. It's time for educational institutions to be more responsible and logical and not continue to provide sub-standard engineering education to our Indian youth. Let's understand the science of engineering education.

## DEEKSHI TECHFEST 2024

Poster releasing event

**Date:** February 6, 2024

**Event:** DEEKSHI TECHFEST 2024 Poster Releasing Event

**Venue:** Sudharsan Engineering College, Melur, Tamil Nadu

**Guests of Honor:**

- Shri. K. Vijay Kumar, Honorable Chairman
- Shri. K. Ajay Kumar, Beloved Secretary

**Key Participants:**

- Dr. K. Srinivasan, Principal
- Dr. K. Chitra, Convenor (HOD/EEE)
- HODs, faculty members & student coordinators of all departments

**Summary:**

The DEEKSHI TECHFEST 2024 poster releasing event was held successfully on February 6, 2024, marking the commencement of preparations for the National Level Technical Symposium. The event began with a warm welcome by the Principal, Dr. K. Srinivasan.

The poster for DEEKSHI TECHFEST 2024, a National Level Technical Symposium, is held on February 28th. It features a dark blue background with various event details. At the top, it mentions 'SUDHARSAN ENGINEERING COLLEGE' and 'E-Box Colleges'. The event is part of 'NATIONAL SCIENCE DAY'. The poster lists 'TECHNICAL EVENTS' including Paper Presentation, Technical Quiz, and a 'WIN' section with prizes like a laptop, smartphone, and cash. 'NON-TECHNICAL EVENTS' include Photography, Short Film, and a 'Gaming: Free Fire' competition. A 'CONVENOR' section lists Dr. K. Chitra, HOD/EEE. A 'FACULTY COORDINATORS' section lists Dr. K. Srinivasan, Dr. K. Vijay Kumar, Dr. K. Ajay Kumar, and Dr. K. Pradeep Kumar. A 'STUDENT COORDINATORS' section lists Ms. M. Radharaman, Ms. M. Harsh Prakash, Mr. M. Surya, Ms. D. Madhavan, Ms. M. Nalini, and Mr. K. Anandhan. A QR code is provided for registration. The poster also includes contact information for registration and a '3920' logo.

# SUDHARSAN ENGINEERING COLLEGE

**SUDHARSAN CHRONICLES**

We Revolutionize Engineering  
& Technology Learning

## Highlights:

- The esteemed guests, Shri. K. Vijay Kumar and Shri. K. Ajay Kumar, unveiled the official poster of the event and handed it over to Dr. K. Srinivasan.
- Dr. K. Chitra, the Convenor, addressed the gathering and outlined the upcoming events planned for National Science Day on February 28, 2024.
- Shri. K. Vijay Kumar delivered a keynote address commemorating National Science Day and encouraging active participation in the various events.
- The event showcased seven exciting competitions for students across various Tamil Nadu colleges:
  - National Science Day speech
  - Paper Presentation
  - Technical Quiz
  - Photography contest
  - Short Film Contest
  - Gaming (Free Fire)
  - Wealth from Waste

## Next Steps:

- Students across Tamil Nadu are invited to participate in the competitions. They can register through the provided link:  
<https://forms.gle/ddyDzTdNgFUTgWuE6>
- The event promises to be a platform for young engineers to showcase their talents and win accolades.

**Overall, the DEEKSHI TECHFEST 2024 poster releasing event generated positive enthusiasm and anticipation for the upcoming National Science Day celebrations.**

## PLACEMENT ORIENTATION PROGRAMME

**Date:** 29<sup>th</sup> January – 9<sup>th</sup> February 2024

**Venue:** Sri Sri Chandrasekarendra Saraswathi Auditorium

**Resource Person:** Mr. S. Siva Kumar, CEO – Trichy Plus

Ms. Savitri Sivakumar, CFO – Trichy Plus

### Overview:

The Placement Orientation Program at Sudharsan Engineering College, organized from January 29<sup>th</sup> to February 02<sup>nd</sup> 2024, aimed to prepare students for successful transitions into the professional world. The program featured insightful sessions, workshops, and interactive discussions led by industry experts.

### Inaugural Address:

Dr. K. Srinivasan, Principal delivered a warm welcome, emphasizing the importance of bridging academia and industry.

The distinguished guests Mr. S. SivaKumar CEO of Trichy Plus and Mrs. Savitri Sivakumar, CFO of Trichy Plus, provided inspiring keynotes.

### Organizer Recognition:

Mr. S. John Joseph, HoD of AI & DS, was acknowledged for his exemplary efforts in organizing and coordinating the program. His leadership played a pivotal role in the event's success.

## AICTE Millet Recipe Unleashing Talent

**Date:** February 5, 2024

**Event:** AICTE Millet Recipe Unleashing Talent

**Dish Prepared:** Rahi Halwa

**Team:**

- **Mentor:** Dr. K. Srinivasan, Principal
- **Leader:** Dr. K. Chitra, HoD/EEE
- **Team Name:** The Shockers
- **Team Members:**
  - Mr. R. Akash, III Year EEE
  - Mr. M. Manikandan, III Year EEE
  - Mr. H. Udaya Kumar, III Year EEE

**Summary:**

On February 5, 2024, a team of students from Sudharsan Engineering College, led by Dr. K. Chitra and mentored by Dr. K. Srinivasan, participated in the AICTE Millet Recipe Unleashing Talent competition. The Shockers team prepared a delicious and nutritious Rahi Halwa using millets, showcasing their culinary skills and creativity.

**Recipe Highlights:**

- Rahi halwa is a traditional Indian sweet dish made with ragi flour, millet known for its rich nutritional content.
- The team's recipe likely incorporated innovative elements or healthy variations, adhering to the competition's guidelines.
- The use of millets aligns with the events of promoting healthy and sustainable food choices.

## IIRS- ISRO OUTREACH PROGRAM

**INDIAN INSTITUTE OF REMOTE SENSING**

Indian Space Research Organisation

Department of Space, Govt. of India

सत्यमेव जयते

S.No	Course Name	Course Duration	Date & Time	Registered participants	Course Completed Participants
1	Geo-Data Sharing & Cyber Security	2 week	Nov 27- Dec 08, 2023	5	3

**IRS Outreach Program: Geo-Data Sharing and Cyber Security Aim of the IIRS Outreach Program Course:**

**Aim of the IIRS Outreach Program Course:**

The two-week Geo-Data Sharing and Cyber Security course, offered by the Indian Institute of Remote Sensing (IIRS), aimed to provide faculty members with the knowledge and skills necessary to securely share and manage geospatial data. The course covered a wide range of topics, including:

- **Fundamentals of geospatial data:** This included an overview of different types of geospatial data, such as satellite imagery, LiDAR data, and GIS data.
- **Geo-data sharing best practices:** The course participants learned about the best practices for sharing geospatial data, such as using open data formats and metadata standards.

# SUDHARSAN ENGINEERING COLLEGE

SATHIAMANGALAM, PUDUKKOTTAI

## SUDHARSAN CHRONICLES

We Revolutionize Engineering & Technology Learning

- **Cybersecurity threats to geospatial data:** The participants also learned about the different cybersecurity threats that can affect geospatial data, such as unauthorized access, data breaches, and malware.
- **Methods for securing geospatial data:** The course covered a variety of methods for securing geospatial data, such as encryption, access control, and data anonymization.

### Outcomes of the IIRS Outreach Program Course:

By successfully completing the two-week Geo-Data Sharing and Cyber Security course, the three faculty members have gained the following knowledge and skills:

- A strong understanding of the fundamentals of geospatial data.
- The ability to share geospatial data securely and responsibly.
- The ability to identify and mitigate cybersecurity threats to geospatial data.
- The ability to implement methods for securing geospatial data.

## Naan Mudhalvan Niral Thiruvizha awareness program

EDC organized an awareness program for final years on 07.02.2024 in our college premises.

Poster:

The poster features a background of technical sketches and diagrams. At the top, it displays the logos of Sudharsan Engineering College, E-Box Colleges, Institutions Innovation Council, and a counseling code of 3920. The main title reads 'ENTREPRENEURSHIP AND DEVELOPMENT CELL organizes a Naan Mudhalvan Niral Thiruvizha Awareness Program'. Below this, it lists the coordinator (Ms. M. A. Madhumathi) and the principal (Dr. K. Srinivasan). The program is targeted at final year students of B.E./B.TECH. in AI & DS, CSE, CIVIL, MECHANICAL, ECE, and EEE branches. The event is scheduled for February 07, 2024, at 10:00 a.m. in Sona Block-SH 103. The presence of Shri. K. Vijay Kumar (Chairman), Shri. K. Ajay Kumar (Secretary), and Dr. R. Pradeep Kumar (CEO, Amphi Ventures) is noted. Social media handles for the college are provided at the bottom.

### Major Points discussed:

- The students are asked to do Innovation
- No Software Product
- Product should work with Technology
- Without Commercialization Invention cannot be succeed ; It will remain as only idea, So Innovation = Invention + Commercialization
- Problem solution fit refers to the alignment between a product or service and the problem it aims to solve. It is crucial for entrepreneurs to identify and understand the problem they are addressing and ensure that their solution effectively meets the needs of the target market. Achieving problem solution fit involves conducting thorough research, gathering insights, and iterating on the solution based on feedback from potential users.

INVENTION VERSUS INNOVATION	
 <b>Invention:</b> The creation of something new	 <b>Innovation:</b> The creation of something new + its implementation and thereby the creation of value
Many inventions don't become innovations because they are not implemented and never create any value	Inventions that are turned into innovations improve people's lives and often help us to do solve a need better than existing solutions
<b>Example: Light bulb</b> The first light bulbs did not create any value as they did not last for long	<b>Example: Edison's light bulb</b> Years after the first light bulb, Edison created a viable product that could be used

- **Reasons Why Products Fail:**

There are several reasons why products fail in the market. Understanding these reasons can help entrepreneurs avoid common pitfalls and increase their chances of success. Some common reasons for product failure include:

## **a. Lack of Market Need:**

- One of the primary reasons for product failure is a lack of market need. If a product does not address a significant problem or meet a genuine need, it is unlikely to gain traction in the market.

## **b. Poor Product-Market Fit:**

- Even if there is a market need, a product may fail if it does not effectively meet the needs and preferences of the target market. Entrepreneurs must thoroughly understand their customers and ensure that their product aligns with their expectations.

## **c. Inadequate Research and Validation:**

- Insufficient research and validation can lead to product failure. Entrepreneurs must conduct thorough market research, gather user feedback, and validate their assumptions before launching a product.

## **d. Lack of Differentiation:**

- In a competitive market, it is essential for a product to stand out and offer unique value to customers. If a product lacks differentiation from competitors, it may struggle to attract customers.

## **e. Poor Execution:**

- Even with a great idea, poor execution can lead to product failure. Entrepreneurs must have a solid execution plan, including manufacturing, distribution, marketing, and customer support.

### Design Thinking: Process and Principles

## CASE STUDY

**Ms. Jane Chen**

The Embrace Infant Warmer is

The Embrace Infant Warmer is a low-cost, portable device designed to provide a safe and regulated environment for premature babies in developing countries. It was developed by Ms. Jane Chen and her team using design thinking principles.

**SUDHARSAN ENGINEERING COLLEGE**

SATHIAMANGALAM, PUDUKKOTTAI

**SUDHARSAN CHRONICLES**

We Revolutionize Engineering  
& Technology Learning

# Electronics & Communication Engineering

**NAME OF THE PROGRAM: FDP On 4G/5G Communication  
Networks (Naan Mudhalvan)**

**VENUE: Anna University BIT Campus, Trichy**

**DATE: 29.01.2024 to 03.02.2024**

**PARTICIPANTS LIST: Mrs A.Jenifer Nirosha AP/ECE**

**SUDHARSAN ENGINEERING COLLEGE**

SATHIYAMANGALAM, PUDUKKOTTAI

**SUDHARSAN CHRONICLES**

We Revolutionize Engineering  
& Technology Learning

# Electricals & Electronics Engineering

**NAME OF THE EVENT: Job Safety & Its Hazards Analysis - J S H  
A and Its Training Awareness**

**DATE: 30.01.2024**

**PARTICIPANTS LIST:**

1. Ms. M.A. Madhumathi, AP/ EEE

# SUDHARSAN ENGINEERING COLLEGE

SATHIAMANGALAM, PUDUKKOTTAI

**SUDHARSAN CHRONICLES**

We Revolutionize Engineering  
& Technology Learning

**NAME OF THE PROGRAM: FDP on Data Science  
Fundamentals**

**VENUE: Government College of Engineering-Srirangam Campus**

**DATE: 01.02.2024 to 03.02.2024**

**PARTICIPANTS LIST: Ms.J.Persey AP/EEE**

# SUDHARSAN ENGINEERING COLLEGE

SATHIAMANGALAM, PUDUKKOTTAI

## SUDHARSAN CHRONICLES

We Revolutionize Engineering  
& Technology Learning

In recognition of the commitment to achieve  
professional excellence

Persey J

Has successfully satisfied the requirements for:

Big Data Foundations - Level 1

Issued on: 04 FEB 2024  
Issued by IBM

Verify: <https://www.credly.com/gqz2y500>

In recognition of the commitment to achieve  
professional excellence

Persey J

Has successfully satisfied the requirements for:

Python for Data Science

Issued on: 04 FEB 2024  
Issued by IBM
